Cleveland, OH – March 31, 2020 – Compass Self Storage, a member of the Amsdell family of companies with self storage locations across the United States, is offering two months’ rent free for essential service businesses and organizations assisting in the supply chain to fight the global health pandemic.

“We commend the many different types of organizations that are doing their part to support the critical supply chain during these challenging times. We can do our part to help by offering storage space at a reduced cost to these essential businesses and organizations that may need temporary storage space quickly,” stated Todd Amsdell, President.

For the safety of their employees and customers, Compass Self Storage is offering remote leasing at this time.
