AS THE COUNTRY RE-OPENS, COMPASS SELF STORAGE OFFERS TWO MONTHS OF FREE RENT TO ALL NEW COMMERCIAL CUSTOMERS

Cleveland, OH – July 1, 2020 – Compass Self Storage, a member of the Amsdell family of companies with nearly 100 self storage locations across the United States, is offering two months' rent free for all new commercial/business customers.

"As states and cities in our markets re-open with new distancing guidelines in place, we want to assist our local business communities by offering storage space at a reduced cost. Restaurants, fitness centers, and even schools have been able to use our temporary storage solutions to move their equipment and tables to meet the local safety guidelines," stated Todd Amsdell, President.

As the housing market volume picks back up, Compass Self Storage is also offering free moving and packing concierge services to all of their new customers. For the safety of their employees and customers, Compass Self Storage now offers contactless rentals and curbside packing supplies. Compass Self Storage is following all advised guidelines from the Centers for Disease Control and Prevention (CDC) and other local and national health organizations.

The two-month rent-free offer applies to new business customers and is a limited-time offer subject to availability. Find the location nearest you at www.compassselfstorage.com.
